

Application instructions MSc Integrated Life Sciences, University of Erlangen-Nürnberg

Important notes: Please complete the ASC application form electronically.

All documents must be submitted in *PDF format* and named in the following way:

- ILS_01_Application_Form_YourFamilyName_YourFirstName
- ILS_02_CV_YourFamilyName_YourFirstName
- ILS_03_TranscriptSchool_YourFamilyName_YourFirstName
- ILS_04_TranscriptUniversity_YourFamilyName_YourFirstName

Optional:

- ILS_05_Recommendation1_YourFamilyName_YourFirstName

Further documents should follow the naming convention:

- ILS_0x_xxx_YourFamilyName_YourFirstName

If you will receive any requested application document later you can submit it after the application deadline has passed. But you should send the remaining documents in time.

Please apply in any case with your latest transcript of records even if you have not graduated yet.

When problems appear during the email transfer please make sure, that your documents have an appropriate size. You can submit your documents also in several e-mails.

Please fill in the ILS personal information sheet and **NOT** the Move-In application sheet (only for step 2). You find the ILS application sheet behind the download button.

We do not give any pre-assessment regarding your application. The suitability of the applicant is evaluated by the ILS selection commission after a full application only.

If you want to convert your Grade into the German system, please use the **Modified Bavarian Formula**:

$$\left(\frac{N_{\max} - N_d}{N_{\max} - N_{\min}} \right) \times 3 + 1$$

N_{max} = highest possible grade in your home country's grading system

N_{min} = lowest possible passing grade in your home country's grading system **N_d** = the grade you want to convert (final GPA)
